

# Remembering WAGON WHEEL THE H

Wagon Wheel Park was once a popular roller skating rink and dance hall in Camas

Roller skating was a family affair for the Carroll and Mason families. Pictured above (at far left from top) Willard and Dalphyne Carroll holding their daughter Sheri and (far right, from top) Pat and Alta Mason holding their son John.

Local youth performed in a variety of roller skating shows at Wagon Wheel Park during the 1950s.
